

GRAY MONK™ ESTATE WINERY

Generations of Commitment

For Gray Monk, it is a decades-long tradition to produce exceptional wine made from grapes grown throughout the scenic Lake Okanagan Valley. The year 2017 marked 45 years of vineyard operations and 35 years of wine production, making Gray Monk the oldest estate winery in British Columbia.

To celebrate this milestone year, Gray Monk Estate Winery has expanded their Odyssey line of wines. The popular Latitude 50 Series and Estate Wine Series will still be offered.

WINEMAKERS COMMENTS

In the true family tradition of Gray Monk, Odyssey III signifies three generations of commitment to bringing the very best to your table. Full bodied, rich and elegant flavours reminiscent of black cherry, raspberry and chocolate. This wine is equally delicious being served on its own, with Stilton and other blue cheeses or with full-flavoured fruit desserts.

"A fortified red style with dried cherry, dried tomato, peppery, cedar, coffee, chocolate aromas. Soft, round, full, moderately sweet style with light tannins. Coffee, chocolate, cherry kirsch, peppery, spicy, cedar, tobacco flavours." - Tony Gismondi

WINERY BACKGROUND

The Heiss family has been a pioneer of the wine industry since 1972, from growing grapes to supporting the promotion of British Columbia's world famous VQA wines. In 2017, Gray Monk joined the Andrew Peller Limited family of wineries.

At Gray Monk Estate Winery, optimum growing conditions allow a range of cool climate grape varieties to flourish, including Pinot Gris, Pinot Blanc, Chardonnay, Gewurztraminer and Pinot Auxerrois. The Heiss family grew grapes for 10 years prior to establishing the winery. Today, some of the original surviving vines are now more than 25 years old and used to make Gray Monk's signature wines. Gray Monk also creates red wines of note, such as Pinot Noir and Merlot, from grapes that are grown in the Okanagan Valley.
